

## Dear Colleagues

We continue our regular training exercises with Police Forces. It is a great opportunity for the registrants to become familiar with some scenarios they might face at work and prepare themselves for such events either by preparing a unique glossary or preparing themselves emotionally.

There are places on **11 October** and **18 October 2018**. The exercises will take place in Suffolk: **Portal Avenue, Martlesham Heath, Martlesham, Ipswich, IP5 3QS**.

**On 11 October** there are **10 places available**. We will need **two interpreters per language** (1 role player/1 Interpreter).

**On 18 October** we will require **4 Interpreters in Farsi and Arabic languages only**.

As places are limited they will be allocated on first come first served basis. These training exercises are free of charge. A Certificate of Attendance will be issued at the conclusion of the training. Packed lunch and snacks will be provided.

Please let me know asap if you wish to take part in any of these training events and are available. If you wish to take part in our next joint training event as you cannot make these dates, please write to me on [vicechairman@apciinterpreters.org.uk](mailto:vicechairman@apciinterpreters.org.uk) or on [i\\_norton@hotmail.com](mailto:i_norton@hotmail.com) and I will be happy to add you to my circulation when the next event is advertised.

Kind regards

**Irina Norton**
