# Interpreting Advanced Police Interviews *Birmingham 01/03/19*

Seminar Inputs Include Interpreting:

- **Witness Needs Assessments**
- **Custody Procedures**
- **Risk Assessments**
- **The Visually Recorded Interview**
- **Enhanced Cognitive Interview Techniques**

Following on from our highly successful series of Introduction to Interpreting Police Interviews workshops, by demand, Zakon Training have developed a workshop designed for interpreters covering interpreting Vulnerable Witness Interviews (visually recorded), Custody Procedures/Risk Assessments, Achieving Best Evidence Questioning styles and the enhanced cognitive interview. The day is designed to provide interpreters with the knowledge and confidence to interpret serious, complex and major crime interviews with both witnesses and suspects, including those that are vulnerable.

The venue is centrally located, easily accessible by public transport, but right next to the M6 and the motorway network. The day will be held in bespoke conferencing facilities and the day includes a full and comprehensive catering package, with accommodation available on site (extra charge) and FREE car parking.

The day offers outstanding value at just £120, fully inclusive of VAT, food and beverages

**EARLY BIRD PRICE is just £96 if booked by the 15<sup>th</sup> January**

Certificates for CPD will be provided following the event
