

## NRPSI's Positioning

Just a small selection of NRPSI's recent public lobbying and advocacy on behalf of registered and regulated public service interpreters who are Registrants on the National Register; putting the case for RPSI's to Government, politicians, mandarins in the Civil Service, framework-writers, public organisations, privately owned agencies and those showing an interest in the search for best possible practice in public service interpreting.

There are also many private letters, emails, texts, WhatsApps and telephone calls which cannot be published but follow the same strategic approach, as outlined on pages 4,5 and 6 of the Annual Review, found at [http://www.nrpsi.org.uk/downloads/1240\\_NRPSI\\_Annual\\_Review\\_6th\\_Edition.pdf](http://www.nrpsi.org.uk/downloads/1240_NRPSI_Annual_Review_6th_Edition.pdf)
