

## Pressure on tbw for improved remuneration, terms and conditions

On 9<sup>th</sup> July 2024, some 40 interpreters had a series of face to face meetings with thebigword management, supported by colleagues outside the building.

This is the copy from the Facebook page:

'Dear Colleagues thank you to those that came today and became part of our community - some baby steps in the right direction. My colleague and I used our slots to put forward the joint concerns of the 461 colleagues in our WhatsApp community and get some updates - we have managed to get them to agree to a meeting regarding rate proposals. Join our community to have a say!'

Continued pressure on remuneration, terms and conditions will create a better environment for all those interpreters serving the public.
