

Invitation to events for interpreters and translators in the East Midlands

The **ITI East Midlands Regional Group** is open to interpreters and translators living and working in the East Midlands.

We regularly hold **social events** (usually on the first Wednesday of the month) to discuss language-related topics and to share experiences. We also hold occasional continuing **professional development** (CPD) events and work with other ITI groups and networks on event organization.

New members and guests are always welcome and we are particularly keen for more interpreters to join the group. There is currently no subscription and membership of ITI is not necessary.

To find out more, visit <http://www.iti.org.uk/networking-groups/regional-groups/east-midlands> or contact <mailto:sarahapplebytranslation@gmail.com> (ITI East Midlands committee member).
